or

Ms. Marlene

Breakfast is an important
meal to help get your
students day going great.
However, we have many
students acquiring
late/tardy slips. Please
have students here by
7:40am if they would like to
eat breakfast at school.

Mindfulness

Mindfulness means bringing
attention to the experiences
occurring in the present moment.
When we practice mindfulness,
our thoughts tune into what we
are sensing in the present
moment rather than rehashing
the past or imagining the future.

Note from Mrs. Craig, Principal

This past week our students have been learning how to make the most of the learning journey!
Teachers and staff are setting high expectations for our amazing students!!!

We were so happy to see so many families were able to attend our Back to School Night! It is a great
way to kick off the 2019-2020 school year!

As you might have heard on the all-call, on Friday we had a successful off campus evacuation drill.
Students, teachers, and staff practiced the process of safely exiting the primary school and relocating to
a safe evacuation site. In case of a true emergency, we will send an all-call and a text to keep you
informed. Parents are encouraged to access our website. Emergency information will also be available
at www.hvusd.net. During this type of incident, it is best to keep the phone lines clear for site
communication. We appreciate your support for our safety plan.

We will begin our Golden Ticket and Positive Referral incentives this week. We want to reward positive
behavior and encourage good manners.

Attendance is a key factor of student success!!! Our goal is to have every student at school EVERY DAY!
We love to see our students every day!!!
