Note from Mrs. Craig, Principal

It is already mid-September! What an incredible year it's been so far. This week, we have school pictures to capture those exciting learning moments! We hope that you can join us to begin the planning of the harvest Festival, this Thursday evening at 6 o'clock. Meeting will be at the Elementary school. It has been a lot of fun visiting with parents during coffee with the principal. Our next coffee and conversation will be in October. Don't forget to reach out to your child's teacher for any questions you might have about your child's learning journey.

Our teachers are very focused on reading skills and helping students progress from the mechanics of reading to the understand of important information. We hope that you will read with your child every night to help them improve and strengthen their learning.

As we come into the fall season, don't forget to send a light jacket with your child. We still want students to be able to step outside and get fresh air during recess.

We are fortunate to be able to pair up with such great parents to guide children in their learning journey!
