Note from Mrs. Craig, Principal

January is a perfect time to make sure you are feeling connected to your school! If you aren't receiving reminders on our Remind app, please stop by the office and pick up the invitation to download and join the app. Take a look at the website when you get an opportunity. Take a look at the resources and the pictures of student events at school. If you have joined our Facebook page you are sure to receive up to date information about student events. We appreciate your input and hope you have found the best way to STAY CONNECTED TO YOUR SCHOOL.

Don't forget to reach out to teachers by using Dojo, Remind, email, or a phone call. If you have questions or input, we are always stronger together! Please, let us know how we can be a stronger team together.

There are two opportunities to gather together and learn more and visit about school and community resources. Coffee with the Principal is January 14 from 7:30-8:00. We will visit about upcoming events, community resources, family involvement and positive changes in the school. On January 21, we will host a second Coffee with the Principal for Spanish speaking families. We will visit about resources, academic supports, positive attendance awards, events, strengthening support for our students. Please, feel free to stop by either morning!

Our students are incredible! They work hard, have fun, and learn a ton!!! Enjoy the week!
