Tutoring Classes
Tuesday & Thursday
2:20-3:20pm
Winter Session starts
1/14/2020

Note from Mrs. Craig, Principal

This week has brought about some bustling weather. Please remember to send a jacket to school with your child. If it isn't raining and pouring, we encourage our students to enjoy the outside air. When they can run and play it helps them focus in the classroom.

It's easy to see that our students are learning and building literacy skills. When students learn skills, practice, and listen to understand they improve communication and inquiry. Curiosity opens the mind to greater learning!

Our TK-Kindergarten Round Up will be held on March 4. Our teachers will join with the staff from Head Start and our state preschool that will be opening in the near future, in order to give families an opportunity to explore options and enroll in high quality programs right here at our school. We hope you are able to join us.

Please remember that school starts at 8:00. If you are dropping your child off in the morning, try to give them enough time to eat a nutritious breakfast before they begin the day. If they arrive by 7:44, that should give them plenty of time to eat and be ready to learn when class starts. Warm wishes to all through these winter months!
