Note from Mrs. Craig, Principal

If you haven't already downloaded the Remind app, now is a good time to do so. We will be communicating with you regarding the possible power outage using Remind and an all call message. If the power outage lasts through Monday, school will be open. Students will arrive at 10:00 and be dismissed at 2:10 (if we have a late start, we will not have a minimum day. Lunch will be served at school. We hope that you will make every effort to have students attend school. Though the power outages are unpredictable, we want our students to feel a sense of belonging and consistency at school. Buses will run in the morning, two hours later than the normal schedule.

We will make a final announcement regarding power outage and our late start plan on Sunday evening and Monday morning. Enjoy your weekend!

About Children's Hope Alliance

The Children's Hope Alliance was founded as the Shasta County Child Abuse Prevention Council and in 2016 changed our name to the Shasta County Child Abuse Prevention Coordinating Council. Since the late 1980's we have partnered with many organizations to reduce child abuse and child maltreatment in our community. In 2019 the organization's focus on creating pathways to hope and healing for children and families lead to a more positive name...The Children's Hope Alliance (CHA). We are still the areas child abuse prevention coordinating council doing the same great work, now our name reflects the positive direction our children are focused on...hope!

Launch is a collaborative partnership between the Children's Hope Alliance, First 5 Shasta, the Shasta County Health and Human Service Agency and the Shasta County Department of Education
