This will be the last paper copy of the Weekly Note Home sent home with the students.

The Weekly Note Home will now be published 3 ways for your reference.

- 1) On the School Website: **HVUSD.net** (Happy Valley Union School District). Go to the Primary tab and select Newsletters from the drop-down box.
- 2) I will be sending an email every Friday to HVP Parents with lots of exciting news. The Weekly Note Home will be attached to the email.
- 3) The Weekly Note Home will be posted on our Facebook account: The account is **Happy Valley Union School District**. Please join our Facebook page to keep up on all the wonderful things happening within our district.

If you do not have access to any of these resources, I will still have a few paper copies in the office every week. Feel free to come in and pick one up.

Note from Mrs. Craig, Principal

This week has been a wonderful week to celebrate fall! It seems that we have an apple theme that has given our students a flavor of harvest and various learning opportunities! I've seen students watch their teachers demonstrate food preparation, math lessons using apples, stories that talk about apples. Our students are always engaged in reading! What I like most is that they love learning to read!

We have had a lot of parents involved in planning for our harvest festival. Thank you to those families who have begun the hard work that will provide such a fabulous event for our whole community!

This Tuesday will be coffee with the principal and I would love to see you there! We will visit about our students success and our school activities and events coming up!
