1:10pm

11-25 thru 11-29 Thanksgiving
Break

Note from Mrs. Craig, Principal

It was wonderful to talk with you at the Coffee with the Principal last Tuesday. We talked about our power outage plan. We are including a little information regarding our plan and some frequently asked questions regarding our processes and power outage updates. Please, take a look at the one page overview of info and let us know if you have any other questions.

Happy Veteran's Day to all who have served or are serving our country. We hope you had a wonderful weekend and had a chance to thank someone for their service.

We are looking forward to preparing the candy to send to our troops. We will reach out when we begin to assemble boxes. If you would like to help, please contact the main office.

OUR STUDENTS ARE INCREASING ATTENDANCE!
WE ARE GETTING BACK ON TRACK! KEEP UP THE GREAT WORK!

Power Outage Information and Updates

We have been talking with families, staff, and other community members regarding our new procedures when our community experiences a power outage. There were a number of questions that have been asked frequently. So, we thought we would try to give you as many details as we have about our new processes:

Decisions that we make are based on what is best for our students academic success as well as their safety and well-being at school. We follow specific protocol when we make decisions regarding school closure and we rely on many important guiding forces:

- State requirements
- Board Policy
- Administrative decision making
- Schools in our region (our situation may be different than those around us, based on available resources. For example we have access to water where some schools do not)
- Temperature requirements in order to open school

When we make the decision to open with a late start schedule, we do so to help keep our students engaged in learning. Sometimes even in the midst of a challenging situation, it is important to reconnect with schoolmates and stay focused on the learning journey. Our students had fun and learned a lot. They were engaged in learning throughout the shortened schedule. It was so much fun to watch their resilience and focus on learning.

When school is in session during a power outage, we do have our full safety plan in place. We have the following:

- We have fewer phone lines, therefore we want to use them for all outgoing calls. If you would like us to contact you, you may use Remind or Dojo to let us know.
- Running water for restrooms, drinking fountains, and all water-use.
- Battery operated LED lanterns to illuminate classrooms.
- As long as weather cooperates and the temperature is not too low the night before, our classrooms are comfortable for learning.

We hope this information is helpful and reassuring.

-Mrs. Craig

Happy Valley Primary

THANKSGIVING CANNED FOOD DRIVE IS HERE!

We are having our annual "Canned Food Drive!"

Starting now until November 20th, please bring your donations to the classroom and put in collection boxes!

Here is a list of some suggested items to bring in: stuffing mix, canned fruit/ vegetables, cranberry sauce, potatoes (dry, fresh, or canned), olives, rolls, gravy (canned or dry mix), onions, pickles, or anything else traditionally eaten at a Thanksgiving dinner that is non-perishable.

Please be on the lookout for more information on how and when the donations will be distributed.

Please contact Breanna Nickens, our Family Resource Liaison at 530-357-2131 if you need any assistance this holiday season.
