Parents, we want our students to feel a sense of belonging and succeed academically. Positive attendance will help your child succeed. If your child is at school each day this week without being tardy or leaving early they will receive a holiday treat at the end of the day on Thursday. We encourage you to have your child here everyday. Enjoy your Holidays!  
Thank you!

## Note from Mrs. Craig, Principal

Thank you parents for all the support you give to your children, our students. For all of the times you remind them to read or read to your child, for all of the times you have made sure your child goes to sleep early enough to get rest and wake up on time to go to school to learn and discover, for all of the time you have spent to encourage your child to overcome challenges! We are so glad to partner with you and in your child's education

We hope you are able to join us on Monday evening from 6:00-7:00 for a Storybook Christmas event. Our teachers will read special stories to our students. Our students are decorating and preparing for this special event.

The next Coffee with the Principal will be in January. We'll visit about positive attendance and sharing strategies for encouraging students to be at school and on time every day. We will have a drawing for a gift card that morning. We hope you can join us for a cup of coffee, great conversation, and a chance to win!

Our best wishes go out to you and your family for a safe and merry holiday season and a happy, healthy winter vacation!
