Note from Mrs. Maki, Asst. Principal

Dear Happy Valley Primary Families,

Can you believe it? This week students celebrated the 100th day of school on Thursday, 1/28/21! All day long students celebrated being 100 days smarter. Classes were busy counting to 100, doing 100 exercises, making 100th Day art, and singing songs about 100. With 100 days already behind us, it's exciting to think what the next 80 days of school will bring!

**Kindly,
Mrs. Maki**

**Listening to
Children**

- ▶ Each day, ask your child about how school went. If you make this a habit, your child will be expecting the question and know that you expect a thoughtful reply.
- ▶ Let your child speak openly to you -- and listen to them. You just might learn something!
- ▶ Ask your child for an opinion. Then give him or her a fair opportunity to think it through and share it.
