Note from Mrs. Craig, Principal

This week we celebrated our one hundredth day at school! Students celebrated being 100 days brighter, 100 days in the books and 100 days of amazing and wonderful learning opportunities! Our students were counting to 100, identifying objects in the 100's, hopping on 1 foot, and reading 100 words at a time. In the upper grades, our students were identifying how many jumping jacks they could do in 100 seconds. They then compared the 100 jumping jacks to other things they could do in 100 seconds. Critical thinking was the goal in the comparisons and our students were, once again, excited about learning!

We hope to see you at Coffee with the Principal on Tuesday, 2-11. Remember this is a great opportunity to share your input about our school. We want to hear from you so we are able to make positive changes and do the best we can to provide engaging student learning opportunities. We will share some highlights about our Literacy Fair and other Spring events. Hope to see you in Room 1 between 7:30am-8:00am on the 11th.
