Note from Mrs. Craig, Principal

The past week's have been sunny and full of learning. The ride home from school is a perfect time to check in with your child. Right after a break is a good time to help our students get refocused on the journey of learning. If you're like me, it is sometimes a challenge to begin the conversation. Here are a few ways to engage your child in conversation about school.

- What did you do during recess today?
- What made you laugh the hardest today?
- What's the nicest thing you saw someone do?
- Did you feel mad or sad today? What made you feel that way?
- Did you draw, write, or build anything today? Describe it!
- What did you learn today that you didn't know before?
- Who do you eat lunch with?

Thank you to all parents who are making sure our students have plenty of time to eat breakfast in the morning. Arriving by 7:45 allows them plenty of time to go to the cafeteria and eat a warm meal. It is also a great time for our students to interact with friends and settle into an adventurous day of learning. Greeting students and families in the morning is one of my favorite times of the day.

Our students completed the Valentine's Day week with a wonderful celebration of friendship and kindness. We hope you enjoyed your week off.
