Cold and Flu season is here. Please remember to call the office if your child will be absent. 357-2131 or email [rparkinson@hvusd.net](mailto:rparkinson@hvusd.net)

## Note from Mrs. Craig, Principal

We send well wishes to all families who have been affected by the various colds and flu. If your child is ill, please make sure you let us know and we wish you a speedy recovery. We understand the challenge of being ill during school. We are here to support your child. Let the teacher know if your child would like schoolwork to complete while at home. If your child is not feeling well enough to complete work, we will help them catch up when they return.

Looking forward: Our **TK-K Round-Up** will be held on March 4 from 4:00-6:00 at the primary school. Head Start and our new preschool staff will be a part of this event. We hope that you will be able to attend and start the early enrollment process for our 2020-2021 school year. We are so excited about our new students joining us. We will look forward to visiting with you and sharing the exciting information about our early education opportunities. We will also have a **Parent Cafe in March** that will give parents the opportunity to discover some resources and opportunities for our students and families. More information will be sent out soon. **Coffee with the Principal will be held on February 11** from 7:30-8:10. We hope to see you then.

Enjoy the Super Bowl and time with your family this weekend.

# EVERY DAY IS A **GREAT DAY TO LEARN**

## Attendance Reminders

There are several days of break in February, so be sure to attend when school is in session.

Consider using some February break time for medical, dental and/or vision appointments.

Strive to arrive on time and attend each day, all day, for best possible academic outcomes.

If your child is absent, find out what was missed from the teacher, and guide your child as he/she completes the assignments.

## Health Reminders

**This is the height of cold and flu season, so keep these healthy tips in mind.**

**Wash your hands regularly.**

**Get plenty of rest each night.**

**Maintain a healthy diet.**

**Exercise regularly.**

## Family Reminders

Have a family meeting to discuss whether morning and evening routines are working; adjust as needed.

Continue to make school attendance high priority for the family.

Address any barriers to strong school attendance and develop a plan to overcome them.

Maintain engagement with school activities, and encourage your child to get involved in areas of his/her interest.
