Note from Mrs. Maki, Asst. Principal

Dear Happy Valley Primary Families,

This week students worked hard to show their teachers what they are learning. Assessments in reading and math were completed. Many students have reached new achievements in both subjects! Be sure to ask your child about all the hard work they've been putting in!

**Kindly,
Mrs. Maki**

**Praising Your
Children**

- ▶ Let your child know often that he or she is important in your life.
- ▶ Encourage your child as he or she tries new things. When your child tries but does not succeed, offer even more encouragement to continue to work hard.
- ▶ Show appreciation for your child's genuine efforts. That will help build self-esteem.
- ▶ Praise your child!

Caught on the Web

MathGames.com includes an interactive set of games and assessment-style questions that are aligned with Common Core State Standards. Skills range from pre-kindergarten through eighth grade. Parents, caregivers, and teachers can sign up for a free account by entering an email address and then adding students.
