Note from Mrs. Craig, Principal

We want to offer our families the opportunity to give input and share thoughts about our school and how we can serve our students and families to the best of our ability. Watch Facebook for mini-surveys that will help us understand our student and family needs. Each time you complete an anonymous survey, you will be entered into a drawing for a gift card.

Another opportunity to share is at Coffee with the Principal. This month it will be held on WEDNESDAY, March 11. We will be talking about activities and events that are planned for the rest of the school year. We also encourage parent participation during this meeting to discuss our school-wide goals in academics, social and emotional learning, and our students' sense of belonging at school. Our family liaison and parent partner will be there to talk about resources and exciting events that are happening this Spring. There is an awards assembly that begins at 8:30, so you are welcome to stay for a second cup of coffee and then head to the assembly.

Our students and staff participated in a safety drill yesterday. The students did a great job following our safety procedures and our staff guided them to practice safe emergency behavior. Great job!

ENJOY THE WEEKEND!!!
