## Note from Mrs. Craig, Principal

We wish you the very best during our time away from school. We want you to know that the teachers and staff at Happy Valley Primary School are thinking of our students and families every day. Our teachers are thinking creatively about how we might be able to reach out to students and guide them and help them learn. Parents, we are thinking of you and how you are balancing work and school with your children. This evening, I helped my son build an hour by hour schedule for these next weeks of "school." I think it made him feel better about taking on the day of learning. It made me feel better knowing that he will have guidance from his teacher and a schedule to keep him focused while we are developing the plan for our teachers and staff to support students in the next few weeks.

Don't forget to go to our website EACH EVENING to let us know how many lunches you will pick up at Happy Valley Elementary School. Please, go to [www.hvusd.net](http://www.hvusd.net) and click the tab: MEAL SURVEY MEALS TO GO. Please, complete the survey each evening in order to help us prepare the right amount of food.
