If you have any questions or need to reach a teacher, IT, or any administrative personnel, please go to the District Website: Happy Valley Union School District. Go to the section marked Distance Learning.

Any questions can be sent to distancelearninghelp@hvusd.net.

It's Yearbook Time!

We have closed the yearbook order line but Good News, I have extra copies.

If you were not able to order on-line or through the office, you don't want to miss out on this monumental yearbook.

This has been a year like no other and we have captured some of the moments of distance learning and how it affects our lives now. Please send me an email if you want to reserve a copy. The books are \$10 each and I will hold one for you. We will setup some kind of drop off arrangement, similar to what we are doing for schoolwork to get them to you.

Note from Mrs. Craig, Principal

Hello again! We are looking forward to seeing you in the near future as we make plans for our return to school.. The primary school teachers and staff plan to meet and greet you curbside at the primary school during the week of June 1-4. Our teachers have collected school materials and personal belongings and are looking forward to seeing you the last week of school. You are welcome to return your school materials at that time. We are scheduling the timeframe around lunch pick up for your convenience. Teachers will be Available from 10 o'clock until 12 o'clock on their grade level day.

Monday Transitional Kindergarten and Kindergarten

Tuesday First Grade

Wednesday Second Grade

Thursday Third grade

If you have more than one child in different grade levels at the primary school, you're welcome to choose the day that you will be picking up for both.

We also would like to let you know that we plan to send out a weekly bulletin throughout the summer. It will include activities and great ways to continue to help your child grow. We hope you enjoy it!!

K-8th Grade

Personalized  **LEARNING**

Happy Valley Independent Study Program (HVISP) is an alternative to conventional educational settings. The Independent Study Program is available to students from kindergarten through eighth grade and is designed to respond to the student's specific educational needs, interests, aptitudes, and abilities within the confines of school board policy. The program allows students to complete coursework independently under the supervision of a credentialed teacher. Students will meet individually with the teacher of record a minimum of two times per month. Students enrolled in HVISP are eligible to participate in District sponsored co-curricular and extra-curricular programs at no cost.

HVISP is voluntary and provides the flexibility to meet students' specific needs, interests and learning styles. Our Independent Study teacher will utilize State and district-adopted curriculum to insure students meet or exceed the District's graduation requirements.
