## Website:

If you have any questions or need to reach a teacher, IT, or any administrative personnel, please go to the District Website: Happy Valley Union School District. Go to the section marked Distance Learning.

Any questions can be sent to [distancelearninghelp@hvusd.net](mailto:distancelearninghelp@hvusd.net).

## It's Yearbook Time!

We have closed the yearbook order line but Good News, I have extra copies.

If you were not able to order on-line or through the office, you don't want to miss out on this monumental yearbook.

This has been a year like no other and we have captured some of the moments of distance learning and how it affects our lives now. Please send me an email if you want to reserve a copy. The books are \$10 each and I will hold one for you. We will setup some kind of drop off arrangement, similar to what we are doing for schoolwork to get them to you.

## Note from Mrs. Craig, Principal

After the school year ends (June 4), we will be sending a Summer Splash Bulletin each week throughout the summer. We want to help you stay up-to-date with the new information and stay connected to school staff. Each week, we will include a variety of helpful information about these topics: mindfulness, self-esteem, self care, and friendships. There will be an art contest for those who would like to participate. Watch for details. There will also be a weekly story reading link that you can access in the bulletin. Watch for weekly videos that our teachers and staff are making to let our students know how much they care and how to get our minds ready for school when we return.

We are all looking forward to the time we will all be together again. We want you to know that our main focus is to provide a safe and happy environment for learning. We know that this is a confusing time for all of us, but, our staff is still meeting, discussing and planning for the time when our school will be open again. We hope you are well in these last weeks of school.
