It's Yearbook Time!

Due to the Covid 19 pandemic, our yearbooks have been delayed. Our supplier was deemed a non-essential business and they were forced to close. I received word that our yearbooks are 4-5 weeks out. That means we can expect them probably the first 2 weeks of July.

We do have a few extra copies on order. If you would like to reserve a copy, please contact the office at 530-357-2131.

The books are \$10 each and I will hold one for you. We will setup some kind of drop off arrangement, similar to what we are doing for schoolwork to get them to you.

Thank You and Happy
Summer

Note from Mrs. Craig, Principal

We have certainly had an interesting journey this school year. As a school community, we have endured challenges, celebrated successes, and learned so much! Our students have given their best to learn and grow in the classroom and in their homes. Our teachers and staff have adjusted their teaching and student learning opportunities from engaging in classroom activities to at home learning never taking their focus off of the hearts and minds of our wonderful students. Happy Valley Parents and Families have been amazing as they support their children and work together with the school to provide the best for our students! We appreciate you very much!!!

We will be sending a weekly bulletin called the Summer Splash Bulletin throughout the summer. Each week, there will be words of encouragement, ways to keep the student mind sharp, videos of teachers and staff, book reading, and updates on our future plans for the 20-21 school-year. We hope you will take a look each week and stay connected with us. You can also see our website for enrollment forms, updates, activities, and other important information. We are looking forward to seeing you back at school.

See you this week when you drop off/pick up student belongings. Thank you for a wonderful year!
