## Note from Mrs. Maki, Principal

Dear Happy Valley Families,

I hope this letter finds you well rested from the long Labor Day weekend! I am so sad our extended power outage prevented us from our first in-person Back to School Night in three years. We are planning to reschedule it for this Thursday evening, September 8th from 6-7 p.m. Please, be sure to come by and meet the staff and your child's teacher.

As you know the state is experiencing an excessive heat wave. As always, we monitor students for proper hydration and signs of heat illness. You can help by sending them to school with a water bottle. Students can refill water bottles in class and/or our water bottle filling station in the cafeteria. Dress your child appropriately for the weather.

We look forward to cooler weather soon and seeing parents on campus this Thursday evening for our rescheduled "Back to School Night".

Kindly,  
Mrs. Maki
