

SHASTA COUNTY COVID-19 TESTING

With or without symptoms, appointments are available for free at the state testing site at Shasta College.

To make an appointment go to lhi.care/covidtesting or call 1 (888) 634-1123 if you do not have access to the internet.

Providers:

The OptumServe site is a great way for you to make sure your office staff is safe and well.

Employers:

Let your customers know your staff is healthy by encouraging employees to get tested regularly at the OptumServe site.

Physicians:

The OptumServe site is a testing option for patients with non-emergent symptoms.

The public can also contact their medical provider or call (530) 225-5591 for help scheduling other testing options.
